INVALID PASSWORD

The screenshot shows a web application window titled "Travel In Good Health Management". On the left, there are two sections: "Login as" with radio buttons for "Management", "Agent" (selected), "Customer", and "Food Supplier"; and "Register As" with a radio button for "Customer". Below "Register As" is a "Food Supplier Registration" button. On the right, there are input fields for "Username" (containing "mcdagentuser") and "Password" (containing "mcdagentpass"). A yellow "Login / Register" button is at the bottom right. In the center, a "Message" dialog box is displayed with an information icon and the text "error : Username and password dont match", with an "OK" button.

MANAGEMENT SCREEN ONCE LOGGED IN

The screenshot shows a web application window titled "Management". On the left side, there is a vertical menu with five buttons: "Stations", "Agent details", "New Registrations", "Train Routes", and "Trains". The main area of the window is a large, empty light blue rectangle.

STATIONS IN MANAGEMENT

The screenshot shows a web application window titled "Management". On the left is a sidebar with five buttons: "Stations" (highlighted in yellow), "Agent details", "New Registrations", "Train Routes", and "Trains". The main area contains a table with 10 rows of station data. Below the table are two forms: "Add Station" and "Remove Station".

EMPTY NAME FIELD

The screenshot shows the 'Management' application window. On the left is a sidebar with buttons: 'Stations', 'Agent details', 'New Registrations', 'Train Routes', and 'Trains'. The main area contains a table with columns 'Sno', 'Name', and 'Code'. The table lists 10 stations: Chennai (1), Mumbai (2), Delhi (3), Kharagpur (4), Hijli (5), Kolkata (6), Bhubaneshwar (7), Vishakhapatnam (8), Bangalore (9), and an empty row (10). Below the table, there is a 'Remove Station' section with 'Name' and 'Code' input fields, and 'Add' and 'Remove' buttons. A modal message box is displayed in the center, titled 'Message', with an information icon and the text 'Empty name field'. It has an 'OK' button.

AFTER SUCCESSFULLY REJECTING

The screenshot shows a web application window titled "Management". On the left is a sidebar with buttons: "Stations", "Agent details", "New Registrations", "Train Routes", and "Trains". The main area contains a table with headers: "Sno", "Name", "Certificate", "Contact", and "Type". Below the table, there is a form with the following elements:

- "Enter Sno" with a text input field containing the number "1".
- Two radio buttons: "Accept" (unselected) and "Reject" (selected).
- A "Confirm" button.

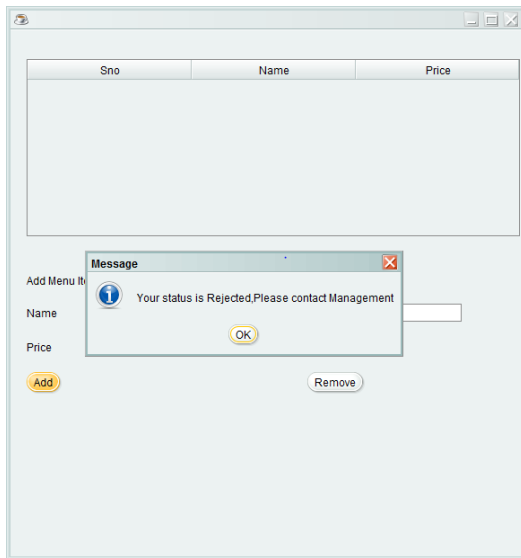

FOOD SUPPLIER

LOGIN

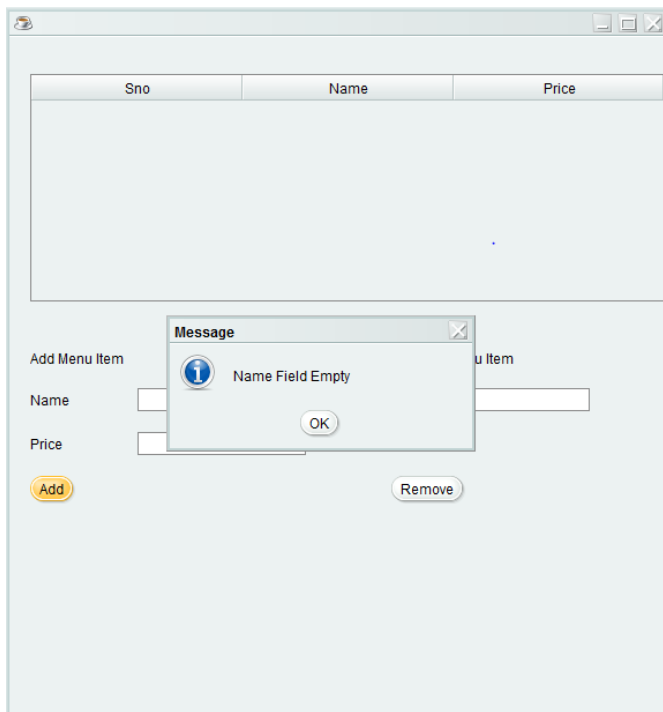

The screenshot shows a web application window titled "Travel In Good Health Management". It features a login and registration interface with the following components:

- Login as:** A group of radio buttons with options: "Management", "Agent", "Customer", and "Food Supplier" (which is selected).
- Register As:** A group of radio buttons with the option: "Customer".
- Registration Link:** A button labeled "Food Supplier Registration" located below the "Register As" section.
- Username and Password Fields:** Two text input fields on the right side, labeled "Username :" and "Password :", with the values "mcduser" and "mcdpass" respectively.
- Login / Register Button:** A button at the bottom right of the page.

8	Chicken Roll	50

Add Menu Item

Name:

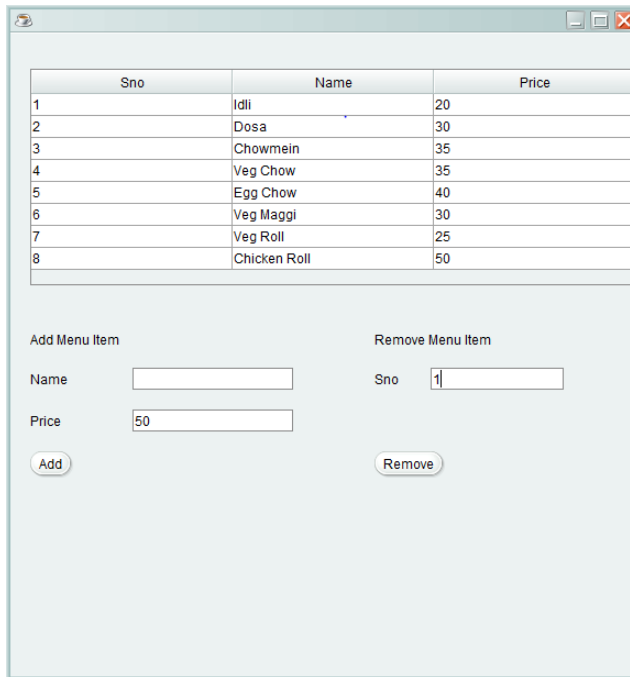

Price: 50

Add

Remove

Message: Invalid Sno

BEFORE REMOVING

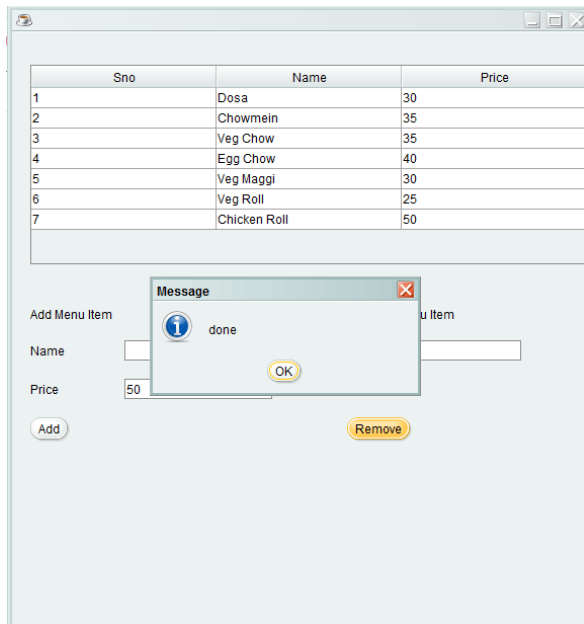

The screenshot shows a window titled "Menu Management" with a table of menu items and two form sections below it.

Sno	Name	Price
1	Idli	20
2	Dosa	30
3	Chowmein	35
4	Veg Chow	35
5	Egg Chow	40
6	Veg Maggi	30
7	Veg Roll	25
8	Chicken Roll	50

Below the table, there are two sections:

- Add Menu Item:** Includes input fields for "Name" and "Price" (with "50" entered), and an "Add" button.
- Remove Menu Item:** Includes an input field for "Sno" (with "1" entered) and a "Remove" button.

AFTER SUCCEFULLY REMOVING

The screenshot shows the same window as before, but with the first item (Idli) removed. A "Message" dialog box is overlaid on the "Add Menu Item" section, displaying an information icon, the text "done", and an "OK" button.

Sno	Name	Price
1	Dosa	30
2	Chowmein	35
3	Veg Chow	35
4	Egg Chow	40
5	Veg Maggi	30
6	Veg Roll	25
7	Chicken Roll	50

The "Add Menu Item" section now has an empty "Name" field and "Price" field (with "50" entered). The "Remove Menu Item" section is partially obscured by the message box.

CUSTOMER

The interface is a web application window titled "CUSTOMER". It features a sidebar on the left with buttons for "Place Order" and "Modify/Cancel". The main content area is divided into several sections:

- Train Number:** A dropdown menu showing "22807".
- Food Supplier:** A dropdown menu showing "bikikauser".
- Automatic Suggest:** A button.
- Ranking Table:** A table with columns "Ranking", "Restaurant - Agent", "Successful Orders", and "Total Deliveries".

Ranking	Restaurant - Agent	Successful Orders	Total Deliveries
2	bikikauser - Tikka Agent	155	249
3	billoouser - Billoo Agent	130	245
4	subwayuser - Subway Agent	100	230
- Menu:** A large empty box for displaying menu items.
- Item Count:** A dropdown menu showing "1".
- Your Cart:** A large empty box for displaying items in the cart.
- Time of Delivery:** Two dropdown menus for "HH" and "MM", both showing "0".
- Log Out:** A button.
- Place Order:** A button.
- Save Cart:** A button.

At the bottom, there is a message: "Please Select an item from the Menu and click the number of items and click move to add To the Cart".

INVALID CODE DELETING

The screenshot shows the 'Management' window with a sidebar containing buttons for 'Stations', 'Agent details', 'New Registrations', 'Train Routes', and 'Trains'. The main area displays a table of stations with columns 'Sno', 'Name', and 'Code'. The table lists stations from 21 to 30, including Nellore, Guntur, Tumkur, Mysore, Ahmedabad, Indore, Ranchi, Mahadd, Rameshwaram, and Cuddapah. A modal message box is open, displaying an information icon and the text 'Station code doesn't exists' with an 'OK' button. Below the table, there are input fields for 'Name' and 'Code', and buttons for 'Add' and 'Remove'. The 'Remove Station' section shows the 'Code' field with the value '35'.

TRYING TO ADD WITHOUT DETAILS

The screenshot shows the 'Management' application window. On the left is a sidebar with buttons: 'Stations', 'Agent details', 'New Registrations', 'Train Routes', and 'Trains'. The main area contains a table with columns 'Name', 'Route', and 'Number'. The table has one row: 'SRC', 'MAS - KOL', '22807'. Below the table is a 'Message' dialog box with an information icon and the text 'name cannot be empty'. Below the dialog is an 'Add Train' form with fields for 'Enter name', 'Train Route Sno', and 'Number', and an 'Add' button.

MANAGEMENT ACCEPT/REJECT

ACCEPT/REJECT WITHOUT PROPER DETAILS

The screenshot shows the 'Management' application window. On the left is a sidebar with buttons: 'Stations', 'Agent details', 'New Registrations', 'Train Routes', and 'Trains'. The main area contains a table with the following data:

Sno	Name	Certificate	Contact	Type
1	Rooster	C:UsersTHARU...	509825729	FoodChain

A 'Message' dialog box is displayed in the center, with the text 'Please select an option' and an 'OK' button. Below the dialog box, there is a text input field labeled 'Enter Sno' containing the value '1', two radio buttons labeled 'Accept' and 'Reject' (both unselected), and a 'Confirm' button.

AFTER SUCCESFULLY REJECTING

The screenshot shows the 'Management' application window after a successful rejection. The sidebar and table are the same as in the previous screenshot. The 'Enter Sno' text input field now contains the value '1'. The 'Reject' radio button is now selected, and the 'Confirm' button is visible below it.

OK

IF ACCEPTED AND TRYING TO ADD WITH INVALID DETAILS

The screenshot shows a window with a table at the top containing columns 'Sno', 'Name', and 'Price'. Below the table, there are input fields for 'Name' and 'Price' under the heading 'Add Menu Item'. A yellow 'Add' button is positioned below the 'Price' field. A modal dialog box titled 'Message' is displayed in the center, containing an information icon, the text 'Name Field Empty', and an 'OK' button. To the right of the dialog, a 'Remove' button is visible.

IF ACCEPTED AND ENTER WITH VALID DETAILS

The screenshot shows the same application window. The 'Add Menu Item' section now has 'Idli' entered in the 'Name' field and '20' in the 'Price' field. The 'Remove Menu Item' section has an empty 'Sno' field. The 'Add' button is now greyed out, while the 'Remove' button remains active.

SUCCESSFULLY ADDED

The screenshot shows a window with a table and a form below it. The table has three columns: Sno, Name, and Price. It contains one row with the values 1, Idli, and 20. Below the table, there is a form with labels 'Add Menu Item', 'Name', and 'Price'. The 'Name' field contains 'Idli' and the 'Price' field contains '20'. There are 'Add' and 'Remove' buttons. A 'Message' dialog box is open in the center, displaying an information icon, the text 'done', and an 'OK' button.

AGENT ACCEPT/REJECT

Accept

The screenshot shows a window titled 'AGENT ACCEPT/REJECT'. At the top is a table with the following data:

Sno	Train Number	Time of delivery	Food Items	Customer use...	Status
1	22807	0:0,04/13/2016	Chicken Fried ...	Dilip	UnAccepted

Below the table is a large empty rectangular area. At the bottom, there is a label 'Sno' followed by an empty text input field. Below the input field are two buttons: 'Accept' and 'Reject'.

The screenshot shows the same window as above, but the status of the first row in the table has changed to 'Accepted'. The 'Accept' button is now highlighted with a yellow border.

Sno	Train Number	Time of delivery	Food Items	Customer use...	Status
1	22807	0:0,04/13/2016	Chicken Fried ...	Dilip	Accepted

Below the table is a large empty rectangular area. At the bottom, the 'Sno' label is followed by a text input field containing the value '1'. Below the input field are two buttons: 'Accept' (highlighted with a yellow border) and 'Reject'.

Reject

The screenshot shows a web application window with a title bar containing standard window controls (minimize, maximize, close). The main content area has a light blue background. On the left, there is a vertical sidebar with two buttons: 'Place Order' (highlighted in yellow) and 'Modify/Cancel'. The main content area displays a message: ***We're sorry to let you know that your order has been rejected by the agent***. Below this message, there are two large, empty rectangular boxes. To the right of these boxes, there are two radio button options: 'Cancel Order' and 'Modify Order'. At the bottom center of the main content area, there is a 'Proceed' button.
